Proposed Additions and/or Changes:

3.6. **PLAYER BOUND TO TEAM.** Any player rostered to a **Primary** team is bound to the team to which he / she is first rostered from August 1 until July 31 unless the player requests and obtains a release. *A player may play for a team other than their Primary team, provided the Leagues rules for club player passes are utilized to implement that play. Player passes may not be used during Fall playoffs or Cup play.*

SECTION II - JUSTIFICATION FOR THE PROPOSED RULE CHANGE:

The Club Player Pass concept 's main objective is to allow coaches to move players freely within their own club, based on player development needs and specific team needs. This concept is very similar to how the U11 and U 12 age groups are currently managed.

A player should remain "Bound to their team." However, this allows the league/club to utilize club player passes.
