SECTION I: ADD OR CHANGE A RULE

Is there currently a rule that applies? Yes No

Primary Page No(s): 2 Secondary Page No(s): _____

Rule Location: **TRAVEL & TOURNAMENT POLICIES & PROCEDURES**

Title of Section: **12.3.3. An Application to Host a Tournament of Games must include:**

Rule as it presently reads:

12.3.3. An Application to Host a Tournament of Games must include:

1. Original Application to Host form. This form must be signed by the Tournament Coordinator and the President of the Member Association.
2. Tournament or Games Hosting Agreement
3. Copy of the Tournament Rules
4. Application Fee (for Tournaments only) payable to STYSA \$100.00

Proposed Additions and/or Changes:

12.3.3. An Application to Host a Tournament of Games must include:

1. Original Application to Host form. This form must be signed by the Tournament Coordinator and the President of the Member Association. **The hosting organization must be a voting member in good standing of the Member Association approving the application to host.**
2. Tournament or Games Hosting Agreement
3. Copy of the Tournament Rules
4. Application Fee (for Tournaments only) payable to STYSA \$100.00

SECTION II - JUSTIFICATION FOR THE PROPOSED RULE CHANGE:

The wording in the current rule leaves open the possibility of ANY STYSA Member Association to approve a tournament hosted by any organization in any location. This could allow abuse of the privilege/obligation, in cases where the Member Association has no standing or relationship to the hosting organization. For example, TYSA could approve an application for a club in CAYSA, or any other Association, to host a tournament.

This amendment and the 2 related simply make it clear that it must be the Member Association through which the hosting organization is affiliated as a member which approves a tournament application.
