Rule as it presently reads:

3.13.2.3. The STYSA KidSafe Committee has responsibility for the STYSA Adult Application submissions forms and submittals for processing criminal background checks. STYSA will provide a weekly listing of background checks that have cleared the system. It is the responsibility of the Member Association / Affiliate Risk Management Coordinator to provide this listing to their local members.

Proposed Additions and/or Changes:

3.13.2.3. The STYSA KidSafe Committee has responsibility for the STYSA Adult Application submissions forms and submittals for processing criminal background checks. ~~STYSA will provide a weekly listing of background checks that have cleared the system.~~ It is the responsibility of the Member Association / Affiliate Risk Management Coordinator to ~~provide this listing to their local members~~ **ensure all participants have been background checked and have a current Adult Participation Pass.**

SECTION II - JUSTIFICATION FOR THE PROPOSED RULE CHANGE:

Prior to the move to an online registration system, the State was responsible for providing each Member Association a listing of adults cleared through the background check system for their club or association. The current system allows the registrar to confirm the status of any adult registered through their club or association so the list requirement is being removed.
