

HOSTING STYSA COACHING EDUCATION COURSE APPLICATION

A sponsoring association will assign a course Coordinator who will be the liaison between the course candidates and STYSA. STYSA will assign a course instructor; provide the instructor and coordinator with appropriate information; supply the course materials and forms; and post the course on the STYSA website.

1. Application / Fee / Materials:

- a) No less than four (4) weeks prior to the course's commencement, send to STYSA Coaching Department a completed Hosting STYSA Coaching Education Course Application and a \$50.00 non-refundable application fee. Applications received less than 4 weeks prior the requested start date or submitted without the application fee will not be processed.
- b) The minimum number of candidates is twelve (12) for Youth Modules and fifteen (15) for the "E" and "D" Courses. Courses will not be conducted if the minimum number of candidates is not met 10 days prior to the start of the course. If the minimum number of candidates is not reached the sponsoring association must cancel the course no later than ten (10) working days prior to the start date of the course. If the course is canceled less than ten (10) working days prior to the start of the course, the sponsoring association is financially responsible for the minimum number of candidates.

Course Level	Minimum # of Candidates	Cost Per Candidate	Total Cost

If additional candidates are added to that final number the sponsoring association will be billed for any additional materials and shipping charges.
- d) The sponsoring association will be billed for the number of candidates for whom materials are shipped. Unused materials must be returned to the STYSA Coaching Department for a refund and may NOT be retained by the sponsoring association and used for future courses. Full credit will only be issued for complete, undamaged sets of materials that are received by the STYSA Coaching Department within 10 days of the completion of the course.
