

STYSA SCL Frequently Asked Questions

1. Does the \$1000 pay for the entire year? **The \$1000.00 covers the 7 - SCL Games for Fall 2010 and the STYSA League Fee.**
2. What does the \$100/game fee cover? **The fees cover three man referee crew, 1/4th standby referee, field usage, assignor fee, field coordinator fee, rainout fee, and technology fee (software usage for referee assigning and payroll and scheduling).**
3. Is this fee usually paid by the clubs or the teams? **This depends on your club so please check with them.**
4. Will the SCL teams play each other twice, and play the PLW teams once? **NO. You will play SCL teams once (3 games) and PLW once (4 games) or 7 total games.**
5. If not, will the SCL teams play D1 teams to fill out their schedule - and is this up to our local assoc. (WDDOA and EDDOA)? **I believe you will have additional games with WDDOA and EDDOA at the conclusion of SCL.**
6. Does membership in the SCL last for the entire year, or is there reshuffling after the fall - who makes this decision (I see this refers to question 3, sorry if I'm being redundant). **As I stated in the previous email, rules will be posted soon. At the end of the SCL schedule, teams 1 – 4 will make-up PLW for Fall 2011. Teams 5 & 6 will round out the SCL group. The 7th and 8th position will relegate back to their home association. These positions will be filled by a round robin tournament in May 2011 consisting of two teams from the East and the top two teams from the West (I believe the top two teams are determined by the additional games mentioned in #3).**
7. Did I read correctly that the E v. W west games this year (or season?) will be played in the West? **Cross District games for boys will play in the West and Girls in the East for Fall 2010. West vs. West will play in the West and East vs. East will play in the East. This will reverse in 2011.**
8. Where are the rules posted for SCL? **They are currently under revision and will be posted very soon.**
9. Can the new club player pass rule be used in SCL or PLW? **NO. The new Club Player Pass rule does not apply for STYSA SCL or USYS Region III Premier League West games.**
10. Can SCL games be rescheduled? **NO. Games will only be rescheduled by the STYSA Competitions Event Administrator in case of incremental weather and moved to the designated rain-out date. The play dates were set last March giving team's ample time to work around the play dates.**
