

 **2012 US YOUTH SOCCER NATIONAL CHAMPIONSHIP STATE CUP**  
**Registration and Final Roster Requirements – Under-13 Age Group**

**Entry Fee - \$950**

**Entry Deadline – 11:59 p.m. on February 1, 2012**

**NOTE: All entries must be submitted through the Affinity online program.**

**PLEASE READ CAREFULLY AND FOLLOW INSTRUCTIONS!**

**US Youth Soccer National Championship Series State Cup** is an open entry competition that is strongly recommended for State Classic League and upper level Division I teams. The following instructions apply **ONLY** to teams in the Under-13 age group for the 2012 Spring season.

**EL PASO:** In accordance with state rules, El Paso receives a bye into the State Tournament competitions. Teams from either of the two El Paso area associations interested in participating must register prior to the entry deadline and pay the designated entry fee. If multiple teams enter a single age group, whether from one or both associations, the South Texas Competition Administrator will schedule the necessary games along with the referees. Costs associated with the game are covered by the entry fee. If necessary, a playoff game will be scheduled the weekend of May 5-6<sup>th</sup> to identify the one team to represent El Paso at the State Tournament in each age group.

For all teams other than El Paso, the **State Classic League U13 Qualifying (SCL)** competition will be the exclusive qualifying league for US Youth Soccer National Championship Series (USYSNC) State Cup. The Competition Event Administrator will track District standings to determine the top two teams from their respective District to advance to the US Youth Soccer National Championship Series State Cup along with one team from El Paso (if entered in accordance with the entry requirements – see information above).

**If a team wishes to challenge into Under-13 US Youth Soccer National Championship Series (USYSNC) State Cup:**

Any Under-13 team that did not qualify for State Classic League U13 Qualifying competition can challenge the lowest seeded (second place) team from their respective District for entry into USYSNC State Cup. Teams submitting a challenge must do so prior to the February 1<sup>st</sup> entry deadline. Challenge games will not be played until May 19-20<sup>th</sup> after both State Classic League U13 Qualifying and Spring Cup play have concluded. Therefore, teams challenging into Under-13 USYSNC State Cup will not be eligible to enter any other Spring Cup competition as teams are restricted from playing in more than one Spring Cup.

Any team challenging into Under-13 USYSNC State Cup will be assessed a “challenge” fee in the amount of \$100 plus a \$200 per game fee for a minimum of two games (challenge cost = \$500). Payment of the challenge fee must be included with the Cup entry fee of \$950. Failure to pay the entry and challenge fee by the entry deadline stated above will result in the challenge being disallowed.

**Multiple teams challenge the lowest seeded team**

If multiple teams challenge into an age group, seeding of the challenging teams will be based on the final Fall standings in their respective District leagues. The challenge games will be determined based on the following format.

If two (2) teams challenge to compete for the challenge slot against the lowest seeded National Cup team, a single match will be played between the two challenging teams. The winner of that match would then compete in a two game challenge against the lowest seeded National Cup team.

If three (3) teams challenge to complete for the challenge slot against the lowest seeded National Cup team, the lowest challenge bracketed team (#3) will play against the second lowest challenge bracketed team (#2); the winner of that match would then play the highest challenge bracketed team (#1). The winner of that match would then compete in a two game challenge match against the lowest seeded National Cup team.

If four (4) teams challenge to compete for the challenge slot against the lowest seeded National Cup team, the teams would be seeded within a bracket and a seeding schedule would be built. For example, if four teams entered as challengers, bracket seeded team #1 plays #4 and team #2 plays #3. Losing teams will be eliminated. The two

undefeated teams will play a final game to decide the challenge bracket winner who would then compete in a two game Challenge match against the lowest seeded National Cup team.

In the event the number of teams challenging is not a multiple of 4 (5, 6, 7, 9, 10, 11 teams), the teams will be seeded in order to play down to a bracket that is a multiple of 3 or 4. For example: if 5 teams challenge, then the team bracketed as #5 will play the team bracketed as #4 and then the 4 team challenge format above will be implemented.

If 6 teams challenge, the format will be 1 v 6, 2 v 5, and 3 v 4 and then the 3 team challenge format above will be implemented.

A game played between challenging teams cannot end in a tie – there must be a winner. Games tied at the end of regulation play will be determined by STYSA Rule 5.8.1.b. As losing teams are eliminated, no refunds will be issued. Should there be more than two challenge games the challenging teams will be responsible for any additional game fees.

**In Challenge matches against the lowest seeded National Cup team:**

Using a 3-1-0 point system, the challenging team must acquire 4 points in order to win the challenge. If the seeded team wins the first game, a second game will not be required as the challenging team cannot achieve a 4 point advantage over the seeded team. If the challenging team wins or ties the first game, a second game is required. If the challenging team is successful and the team is seeded into a higher competition, the team is responsible for paying the difference in the entry fee between the Cup entered and the Cup for which they qualified.

**START OF PLAY DATE:** Challenge games will be played the weekend of **May 19-20, 2012.**

**CLUB PASSES:** The US Youth Soccer National Championship Series competition will be divided into two levels of play – District and State. During challenge games which will be considered District play, **ONLY** players officially rostered to the team by the roster freeze date are eligible to participate. Club Passes will be allowed at the USYSNC State Cup Tournament in accordance with the US Youth Soccer National Championship Series rules. Teams opting to use Club Passes at the USYSNC State Cup Tournament are required to document the Club Pass players by **12 noon on Tuesday, May 22, 2012**, the week of the State Tournament.

**PLAYING SITES:** All games will be played at designated sites identified by South Texas Youth Soccer. Designated sites in various communities will limit the distance teams must travel and allow for controlled costs for the games. All field usage and referee fees for scheduled games are included in the entry fee. Designated site locations are currently being determined and will be announced prior to the start of play.

**ADVANCEMENT:** The qualification process within each District will identify the first and second place teams in each age group. The two representatives from each District and one El Paso team (if entered in that age group) will advance to the USYSNC State Cup competition to be held over Memorial Day weekend.

**PAYMENT OPTIONS:** There are three payment options available to teams entering the Cup competition – credit card, electronic check or personal check.

- Credit Card Payment - there will be a 2.7 percent processing fee charge added to the total credit card charge. This processing fee is not paid to the State or District but is a non-refundable standard fee charged when paying by credit card.
- Electronic checks - there will be a flat fee of \$5 for electronic checks. As with credit cards, the processing fee is not paid to the State or District but is a non-refundable service charge.

## FINAL ROSTER DEADLINES / RELATED INFORMATION

### REMINDER: FINAL PAPERWORK / ROSTER FREEZE DATES

**NEW!! Rosters for Under-13 teams will be frozen at 11:59 pm on May 14, 2012**

### HOW TO MAKE CHANGES TO YOUR ROSTER

All changes to rosters of teams entered in the National Cup competition must be processed in the Affinity system prior to the final roster deadline indicated above. It is the responsibility of the team to provide the required documentation for changes to the Association Registrar, allowing sufficient time for the registrar to process the change in the registration system. All signed transfer and release forms **MUST** be forwarded to the State Office within 48 hours of the roster freeze deadline. Please mail or deliver all final paperwork to:

**STYSA STATE OFFICE - 15209 Hwy 290 East - Manor, TX 78653**

**REMEMBER: All teams must have a roster consistency between the Fall 2011 and Spring 2012 USYSNC roster.**

- **U13 teams – maximum roster is 18 players - 9 of the same players must appear on both rosters**

### Roster Changes

- Definition of ‘previously rostered player’ is a player who transfers on to a team from a different club. A player who changes teams within the same club is not considered a previously rostered player and does not count towards the transfer limit of 5.
- U13 and older teams may have no more than 5 previously rostered player transfers on the team at the roster freeze deadline.
- There is no limit to the number of new players that can be added to a roster as long as the team retains the roster consistency identified above.

- Any player rostered to the team in the Fall who is not returning is required to submit a signed Release form prior to being removed from the team.

**Transfer** – For the purposes of USYSNC State Cup play, any player who was rostered to another team for the fall season must complete the STYSA Transfer/Release form in order to move to a different team; however, only those players who were previously rostered to a team in a different club will be counted toward the maximum transfer limit of 5.

The Transfer form must include the following:

- ✓ Player's name (as it appears on the roster), address, ID number, date of birth, and signature of the player/parent.
- ✓ Club Name, Team Name, and Team Number of the team the player is leaving and the name.
- ✓ Club Name, Team Name and Team number of the team the player is joining.

**New Player** – A “new player” is one who has not played with any STYSA or US Youth Soccer league or association during the current seasonal year. The team manager or coach is responsible for the following:

- ✓ Registering the player with the local club or association in the Affinity registration program.
- ✓ Paying any required registration fees to the **local club or association**. (The association will pay fees for the player when submitting their entire Spring registration information to STYSA)

**Release** – Any player who was rostered to the team in the fall remains rostered to the team for spring. A player must request in writing (signed by the parent), a release from the team prior to being removed from the roster. Coaches or managers may not release a player involuntarily unless they meet the criteria stated in the National Cup rules. **Any player for whom a form is not submitted will remain on the roster for the spring competition.** Not registering for the spring season is not a valid reason for removing a player from the roster.

Any roster change made in the Affinity system after the stated deadline will result in the player being marked as ineligible to participate with the team in the Cup competition. Game cards used by teams in the competition will be generated based on the team's roster as of the final roster deadline.
